Summary Guide to Courses

2026

TUS

Ollscoil Teicneolaíochta na Sionainne:
Lár Tíre, An tIarthar Láir
Technological University of the Shannon:
Midlands Midwest

Welcome to TUS - Technological University of the Shannon

We are a multi-campus technological university. We are ambitious, supportive and welcoming and in choosing TUS, you will become part of a university that places our students at the heart of everything we do. With our focus on practical, research-led, applied learning, a qualification from TUS will equip you with the knowledge and skills for an exciting and rewarding career.

Why choose TUS?

We know that making your university choice is an important decision, with many factors to consider. Our courses are designed with your future in mind and studying at TUS offers many advantages. Here are just some of the great reasons to make TUS your CAO choice.

We are TUS. Join us!

Highest Graduate Employment Rate in Ireland

TUS has the highest graduate employment rate in Ireland for degree graduates.* Our diverse range of career focused courses are developed in partnership with industry to give you the best possible academic and employment outcomes. A university qualification from TUS is globally recognised and will open a world of opportunities to you.

(*Source: HEA Graduate Outcomes Survey 2022 & 2023)

Practical Learning

Practical, hands-on learning is central to our courses, making for an enjoyable learning experience. Through a mix of lectures, workshops, group work and projects, along with work placement and study abroad opportunities, studying at TUS will equip you with the relevant knowledge and skills you need to launch a rewarding career.

Small Class Sizes

Our small class sizes mean you're more than just a number at TUS. You will know all your classmates and your lecturers will know you too, meaning you feel part of a friendly university community. This commitment to small class sizes and our open, supportive and friendly environment ensures that as a student in TUS, you won't get lost in the crowd here.

Supportive Environment

College life is exciting; however it is not without challenges. Supporting you is at the heart of everything we do, and we want you to get the most out of your studies. Our support services are dedicated to supporting you in reaching your potential, both academically and personally and provide a valuable support network for students.

Our Campuses

TUS is made up of over 15,000 students across our seven campuses in the Midwest and Midlands regions. Our unique community links a network of towns and urban centres, spanning four counties and three provinces! Each campus differs in size, and all have their own unique atmosphere, but whichever TUS campus you choose, you can be sure of an enjoyable student experience.

15,000+ Students

1 Great University

We are TUS

Our vibrant, supportive and welcoming campuses in Athlone, Limerick City, Clonmel, Ennis and Thurles offer an exceptional educational experience, with inclusivity and innovation at the heart of everything we do. So whichever TUS campus or course you choose, you will thrive in a student-centred environment, dedicated to providing you with the best possible college experience, with globally recognised and respected qualifications that will carry you into an exciting future.

TUS has seven campuses:

- Athlone Campus, Co. Westmeath
- Moylish, LSAD Clare Street, and Coonagh Campuses, Limerick City
- Clonmel Digital Campus, Co. Tipperary
- Thurles Campus, Co. Tipperary
- Ennis Campus, Co. Clare

Athlone Campus

Located just a stone's throw outside the town, our Athlone campus is home to 6,000 students and is renowned for its warm, friendly and inclusive campus culture, which supports students in reaching their full potential. The campus offers 200+ industry-focused courses on a full-time, part-time, blended, and online basis, ranging from higher certificate right through to PhD and beyond. Students can expect to find exciting courses in areas like virtual reality and gaming, cybersecurity, veterinary nursing, robotics, digital marketing, and pharmaceutical science, to name but a few. Athlone campus houses our state-of-the-art International Arena and contains the country's first international-standard indoor athletics track. It is also home to the Athlone International Grand Prix, Ireland's premier athletics meet. Students at the Athlone campus can avail of all of the latest technologies and equipment, including Alter G AntiGravity treadmills (designed by NASA) and cryotherapy pods. In May 2025, our new STEM building, the Mary Ward Centre for Science was officially opened at Athlone campus. This three-storey facility, spanning 6,000m² consists of science laboratories, IT laboratories, lecture theatres, classrooms, office and meeting room accommodation, social and collaboration spaces and administration, facilitating the expansion of STEM education across the campus.

Learn more about Athlone town

Limerick City Campuses – Moylish, LSAD Clare Street, Coonagh

Moylish Campus

Our Moylish Campus is located on the outskirts of Limerick city and is our principal Midwest campus. Located in the shadow of the world-renowned Thomond Park, home to Munster Rugby, and a short walk from the TUS Gaelic Grounds, more than 7,000 students are based at Moylish. Students benefit from access to modern lecture theatres, science labs and computer suites, as well as our state-of-the-art Millennium Theatre, used during the day for practical classes and in the evenings and weekends as one of Limerick's leading live entertainment venues. Our Students' Union building has its own games room, relaxation lounge and radio station - Wired FM. A well-equipped gym facility and several pitches used for both recreational and competitive fixtures are also located at Moylish campus. Work has commenced on our new Applied Science and Information Technology (ASIT) Building. This state-of-the-art building will provide 5,200m² of specialist teaching and research space, including purpose-built science laboratories, computer rooms, general teaching spaces and a large lecture theatre.

Limerick School of Art & Design (LSAD) - Clare Street & George's Quay Campuses

The Clare Street campus is home to our internationally renowned Limerick School of Art & Design (LSAD), one of the longest-established centres of art and design education in Ireland. It is a vibrant living 'canvas' for the creation, display and celebration of the artistic talents of our students. With an award-winning reputation, including our Fashion Department,

listed in the top 50 fashion schools worldwide and cutting-edge creative technologies for student learning, LSAD is one of the most significant providers of art and design education in Ireland. Students learn from leading art and design practitioners; can access excellent workshop, studio and exhibition facilities and where their education is informed by the latest developments in the wider world of art and design.

Coonagh Campus

Located near the TUS Moylish Campus on the outskirts of Limerick city, our Coonagh Campus consists of a state-of-the-art 5,819 square metre engineering building. This modern facility accommodates an additional 800 students, with an emphasis on increasing the number of apprentices at TUS. The Coonagh Campus drives the expansion of engineering education and research and includes workshops and laboratories that deliver space for manufacturing engineering and other engineering activities, particularly in apprenticeship programmes.

Learn more about Limerick city

Thurles Campus

Our Thurles campus caters for students studying for qualifications in Applied Sports Science, Agricultural Science, Business, Social Care Work, and Software Development with Games Programming/Cyber Security. It is a friendly and student-centred campus with excellent sports facilities. Alongside lecture theatres, science labs and specialist games development labs, is our superb SportsLab, a dedicated strength and conditioning facility, designed and developed to the highest global standards. The 2,000 square metre facility includes a 45 metre six lane sprint track, especially designed to improve speed, as well as a range of sport technology systems, including micro electromechanical systems and GPS systems. Planning permission has recently been granted for a major expansion to the facility to include tennis courts, GAA and all-weather playing facilities. Thurles town is an affordable study location for students and the town is well served by the Irish Rail network, Transport for Ireland, Local Link services and other private bus operators.

Learn more about Thurles town

Clonmel Digital Campus

Our Clonmel Digital Campus is part of the renowned TUS Limerick School of Art & Design, and although a small campus, it is a vibrant and creative hub that provides a relaxed and friendly learning space for students. Our popular and innovative degrees in Game Art and Design, Digital Animation, and Visual Effects for Film, TV and Animation are based at the Clonmel campus. A fantastic addition to the campus is the €5 million Clonmel Sports Hub on the campus grounds and includes a 400-metre IAAF standard athletics track, skatepark, walkways and cycleways. Clonmel town has a thriving arts scene, with lots for students living locally to get involved in.

Learn more about Clonmel town

Ennis Campus

A lively, bustling urban centre, Ennis is proud to be a university town with Social Care Work degrees at Level 8 and Level 7 available through the CAO at the Ennis Campus on Bindon Street. Located on one of the finest late-Georgian streets in Ireland, it is a newly refurbished campus building, with historic charm, and brand new contemporary facilities. Our small class sizes and friendly atmosphere ensures students can gain the most from their TUS experience in Ennis.

Learn more about Ennis town

Student Support

At TUS, we are with you every step of the way. We are proud to offer a vibrant, inclusive, and supportive campus community where students are empowered to thrive both academically and personally.

Our dedicated staff go above and beyond to create an environment where energy, enthusiasm, and encouragement are part of everyday student life. Whether you are taking your first steps into college or progressing through your course, our goal is simple, to help you succeed and make the most of your time at TUS.

We know that college life comes with exciting opportunities as well as challenges. That is why we provide a comprehensive range of student supports and services, designed to guide you through every stage of your journey. From health and wellbeing, academic support, and personal development to career advice and a thriving student community, we are here for you.

Our Students' Union, also plays an essential role in representing, supporting, and connecting students across our campuses. The SU is your voice, your advocate, and your hub for student life.

At TUS, students are at the heart of everything we do. Whatever support you need, our friendly and experienced team is ready to help you thrive. If you need additional information regarding the supports outlined here, please visit our website at www.tus.ie/student-support

Learn more about Student Support Services across all TUS campuses

Student Health Service

The aim of the TUS Student Health Services is to provide confidential and caring health support through health promotion and healthy lifestyle awareness and to respond to the needs and concerns of our students. Our services are nurse-led and provide comprehensive health services and emergency care to students. Doctors are available to all students within 3km of the campus location. Student Health Services are available from Monday to Friday throughout the academic year.

Student Health: Athlone Campus

Email: studenthealth.midlands@tus.ie

Student Health: Moylish, Clare Street, Coonagh, Thurles, Clonmel & Ennis Campuses

Email: nurses.midwest@tus.ie

Student Sexual Health Service

Funded via the HSE, TUS Athlone offers a free nurse-led student sexual health, contraception and health promotion service on campus. For further information:

Email: sexualhealth.midlands@tus.ie

Student Counselling Service

Our counselling services at TUS allow students time and space in a confidential setting to explore any issues of concern to them. We provide a multi-campus service to all TUS campuses. Our counsellors are specially trained to listen attentively and provide a supportive, non-judgmental environment where students have the opportunity to self-reflect and develop

Email: counselling.midwest@tus.ie

Access Service

TUS is committed to promoting equitable access to and successful participation in higher education for all members of society. Our approach is founded in the principles espoused in the HEA National Access Plan and flows from a philosophy of integration and social inclusiveness. We are committed to widening access for underrepresented student groups including but not limited to:

Students who experience socioeconomic disadvantage, students with disabilities/specific learning difficulties/ongoing health conditions, Mature Students, Irish Traveller & Roma communities, students progressing from Further Education, Part-time students, Lone Parents, Care Experienced Students.

TUS is a member of the Higher Education Access Route (HEAR). This scheme offers reduced points places and extra college support to school-leavers from socioeconomically disadvantaged backgrounds. Prospective students should apply via the CAO, indicating that you wish to be considered for the HEAR scheme. Financial guidance and support are available through the Access Service and from the HEA on www.studentfinance.ie. For full information on all TUS Access services and supports, please contact:

Access: Athlone Campus

Email: access.midlands@tus.ie

Access: Moylish, Clare Street, Coonagh, Thurles, Clonmel & Ennis Campuses

Email: access.midwest@tus.ie

Disability Service

The Disability Support Office encourages students with educational support requirements to avail of the many services we offer. TUS is part of the **Disability Access Route to Education (DARE)** which is a national admissions scheme that allocates reduced points places to eligible school leavers under 23 years old with specific learning difficulties, health conditions and/or disabilities.

We strongly encourage students with educational support requirements to contact the Disability Officer in advance of registration to discuss and agree upon the supports needed to ensure equal access to learning. While there is no obligation to disclose a disability or support needs, we have found through experience that early engagement with our services greatly enhances students' transition to, and progression through, third-level education. All Access and Disability services are confidential. For full information on all services and supports, please contact:

Disability: Athlone Campus

Email: disability.midlands@tus.ie

Tel: 090 6468142

Disability: Moylish, Clare Street, Coonagh, Thurles, Clonmel & Ennis Campuses

Email: disability.midwest@tus.ie

Tel: 061 293224

Learning Support

The Learning Support Unit provides free academic support to all registered TUS students on request. All services are based on a supervised self-help model to empower students to build their skills and confidence in a supportive and encouraging environment. Learning Support tuition is based on active learning, with the student themselves leading the process, helping them participate fully in their course.

Learning Support: Athlone Campus

Email: academicwriting.midlands@tus.ie

Learning Support: Moylish, Clare Street, Coonagh, Thurles, Clonmel & Ennis Campuses

Email: lsu.midwest@tus.ie

Chaplaincy/Pastoral Care

Our Chaplaincy and Pastoral Care Service is available to students of all religious denominations and of none. We aim to support students in the areas of Pastoral Care, Community, Spirituality and Personal Development.

Chaplaincy / Pastoral Care: Athlone Campus

Email: ChaplaincyPastoralCare.midlands@tus.ie

Chaplaincy / Pastoral Care: Moylish, Clare Street, Coonagh, Thurles, Clonmel & Ennis Campuses

Email: Joseph.Walsh@tus.ie

Careers and Employability

The Careers and Employability Service aims to support the development and enhancement of student employability skills, assisting students to prepare for work placement and providing career guidance to support them in achieving their full career potential. The team provides a centralised work placement administration support service and interface for TUS students and staff, as well as our industry partners.

Garda Vetting

Some placement opportunities require Garda Vetting. It is important that students know that previous convictions may limit their ability to obtain a placement in certain settings and might mean they are unable to reach required learning outcomes associated with certain courses. Students should research requirements thoroughly before embarking on a course of study which requires Garda Vetting.

Careers: Athlone Campus

Email: careers.midlands@tus.ie

Careers & Employability: Moylish, Clare Street, Coonagh, Thurles, Clonmel & Ennis Campuses

Email: careersandemployability.midwest@tus.ie

Students' Union

The Students' Union is the independent representative organisation for students and is the elected voice for students in TUS. It represents students in academic affairs, student wellbeing, advocating for student rights and organises social events for students. TUS Students' Union works in the best interests of its members - supporting students in becoming active and responsible citizens, having their voices heard and rights upheld and in enjoying the university experience. Learn more about TUS Students' Union at www.tussu.ie

Accommodation

Starting college brings new freedom and the independence to make your own choices and decisions. For many students, going to college also means moving away from home to a new city or town and trying to find accommodation for the first time and our campus locations in Athlone, Limerick city, Clonmel, Ennis and Thurles will give you an opportunity to make one of these locations your home for a few years.

TUS Students' Union coordinate the accommodation service and are committed to providing students with as much information and support as possible in securing accommodation, however students themselves are responsible for securing their accommodation. The accommodation service operates on a referral basis, whereby all students organise their own accommodation and arrange by personal inspection. Most student accommodation is located within walking distance of our campuses. There are different types of accommodation, such as shared houses and apartments or 'digs' where a student boards with a family. Students are encouraged to be proactive in organising and securing accommodation as places are in high demand year-round. For more information on accommodation, see www.tussu.ie/accommodation

TUS Accommodation – All Campuses

“TUS Athlone had the course that I wanted and is a career I always dreamed of pursuing, the facilities and staff made studying a course I loved so much more rewarding.”

– Tika, Accounting with Finance

Student Life

Clubs and societies are at the heart of TUS student life and students on all campuses are encouraged to get involved in the varied extra-curricular activities available. Joining a club or society is a fantastic way to make new friends and meet people with similar interests. For first year students, getting involved with a club or society helps in making the transition from school to college easier and involvement in a club or society also enables you to develop other valuable skills alongside your academic skills, such as teamwork and leadership skills.

Societies

Societies are a fantastic way to make friends, gain new skills and contribute to an enjoyable college experience. Each society provides a range of activities for students during the year from volunteering opportunities to trips away and social nights out. Involvement in a society helps you to develop other valuable skills alongside your academic learning, such as leadership skills through committee involvement, experience in event management and teamwork skills. TUS has a dedicated Societies Officer who works with societies across all our campuses.

For more information on the TUS Societies scene, contact socsofficer@tus.ie

Sport

We boast a vibrant sports scene at TUS, ensuring that many sporting interests are catered for. Our sports clubs cater for all levels of activity, and you can get involved at your own pace, whether you are an elite athlete, a beginner or just looking to get fit and have some fun. We participate at a high level in the many intervarsity competitions and there are opportunities to represent TUS nationally, and in some instances, internationally too. However, you do not need to aspire to such lofty sporting ambitions; there are sports activities to suit all interests and abilities! Clubs include Hurling, Camogie, Men's and Ladies Gaelic Football, Men's and Ladies Rugby, Soccer, Boxing, Athletics Weightlifting, Basketball, Aerobics and Circuit Training, to name but a few. For more information, contact socsofficer@tus.ie

“I have learnt so many new skills that I will take onto the next chapter of my life.”

– Abby, Bioveterinary Science

Sports Scholarships

Our commitment to sport is underlined by our Sports Scholarship Scheme which allows students who are at the forefront of their chosen sport to apply for a range of supports. We are proud to invest in our students to support and encourage them in reaching their sporting potential and each year, we recognise the achievements and excellence of our students in their respective fields. Our sports scholarships are not just designed for those participating at the highest level in their chosen sport, but also for those involved in other aspects of sport.

Sports Scholarships - Athlone Campus

Academy and Gold Sports Scholarships

TUS Athlone campus operates a sports scholarship scheme for students who have reached, or have the potential to reach, a very high standard of performance in their chosen sport. The scholarship operates on two levels: A Gold Scholarship is worth up to the value of €4,000 in supports, which includes the use of our sports facilities, physical therapy, individual strength & conditioning coaching, functional screening assessments, cookery demonstrations, academic support, nutritional advice, performance lifestyle management, sports psychology support, skill acquisition support and athletic development funding; an Academy Scholarship includes many of the supports listed above for those aspiring to the Gold level and is worth up to the value of €2,500. More information can be found on the TUS website.

Sports Scholarships – Limerick, Thurles, Clonmel and Ennis campuses

The TUS campuses in Limerick, Thurles, Clonmel and Ennis offer three different types of sports scholarships: Gold, Silver and Bronze.

Gold Sports Scholarship

The Gold level scholarships are aimed at students that are competing at the highest level of their chosen sport, e.g., intercounty, interprovincial, international, FAI League of Ireland.

Silver Sports Scholarship

The Silver level scholarships aim to give students the opportunity to develop and attain the highest level in their chosen sport while studying in TUS. Silver level scholarships are aimed at sub elite athletes / underage / junior athletes who are looking to progress to the next level. e.g., underage intercounty, underage League of Ireland, provincial academy, underage international, development squad, etc.

Bronze Sports Scholarship

The Bronze Sports Scholarships are designed to support athletes who complete at club/non-elite level, and also contribute towards their respective sport(s) in other capacities e.g. administration, coaching, fundraising, promotion etc.

Munster Council GAA Bursaries

The Munster Council GAA Bursaries is open to members of the association attending a full-time higher education course (except those who hold another GAA-related or college scholarship/bursary) and who are active participants in their college club. Candidates may be awarded bursaries in successive years (limit of two years only), subject to passing exams and satisfactory evidence of a significant contribution to the college club. Application forms are available from the Munster GAA website.

Elite Sportsperson Entry Scheme

TUS has in place, for some undergraduate degree courses (Athlone only), an academic entrance scheme for elite sportspersons. A number of places will be reserved for outstanding candidates who have reached a very high standard of sporting achievement, through performance or coaching, and who are committed to further developing their sporting and academic careers. A 50 CAO points waiver may be awarded to prospective students (Athlone only).

Sport Facilities

From our state-of-the-art Athlone International Arena to the impressive Sports Lab in Thurles, TUS has superb sports facilities for students, including gym facilities and sports pitches at Athlone and Moylish, and the Regional Sports Hub situated on the grounds of our Clonmel campus. All facilities are available for our students to use.

Scan the QR code to learn more about sport facilities across our TUS Campuses.

Sports Facilities - Athlone Campus

TUS International Arena boasts an array of options for health-conscious students, beginners and elite athletes alike. This facility includes a fully approved IAAF Indoor Athletics Stadium, student fitness gym, elite training gym, spinning studio, fitness studio, high performance testing room, two cryotherapy units and a movement mechanics sports science studio. Outdoor facilities provide for most sports including

an eight-lane IAAF-approved outdoor athletics track which also features a full-size international dimension soccer pitch in the infield area (floodlit), a fully FIFA approved artificial soccer pitch, sand based multi-sport grass training field, full size GAA pitch and a 2km floodlit cross country trail. The TUS Athlone sports gym has a dedicated team of qualified instructors who will provide you with excellent guidance, advice and comprehensive fitness programmes to match your fitness level, from complete beginners to elite athletes. Students can avail of discounted membership rates or can use the facilities on a pay as you go basis. A wide array of fitness classes are available in our state-of-the-art studios.

Sports Facilities – Limerick, Thurles and Clonmel campuses

Our Moylish campus in Limerick has an impressive range of sports facilities for students, including three full size pitches and an all-weather playing pitch, as well as a fully equipped gym and indoor sports hall, catering for basketball, soccer and fitness classes.

Our Clonmel campus is home to a €5.5 million Sports Hub on its grounds. Developed in partnership with Tipperary County Council and with support from local industry, the impressive multipurpose sports facility is developed to international sporting standards and features a 400-metre IAAF-approved athletics track, a skatepark, walkways, cycleways, a playground and a cycle (pump) track. It is a fantastic addition to our Clonmel campus

Our Thurles campus houses a state-of-the-art strength and conditioning building, the 'SportsLab'. Among the facilities available in the 2,000 sq. metre facility are a 45m, six lane sprint track specially designed to improve speed; a Paralympic area; cable machines; a range of sport technology systems, including micro electro mechanical systems and GPS systems; Olympic lifting platforms; five functional screening kits; weights and the full range of exercise machines. It is one of the finest facilities available in the country and is designed to support our Sports Science courses. Planning permission has recently been granted for the expansion of sports facilities at the Thurles campus with an extension to the SportsLab, alongside the development of tennis courts and GAA and astro pitches.

Other Scholarships and Financial Supports

TUS offers a range of other scholarships, funding and supports that students can apply to. These include:

- 1916 Student Bursary
- Uiversity Scholarships
- Laptop on Loan scheme
- Student Assistance Fund
- Mature Student Book Lending Scheme
- KickStart Scholarship
- Community and Industry Scholarships
- Google Insight Scholarship

Scan the QR code for more information on scholarships.

“My favourite parts of the course are the practical elements that allow us to learn the theory and then implement it into coaching sessions with local primary schools. We also have access to the latest sporting technology which allows us to develop programmes specific to each athlete’s needs”

– Annakate Cournane - Sports Development and Performance & Sports Scholarship recipient

International Opportunities and Study Abroad

TUS offers a truly international education experience, welcoming students from over 100 countries to our seven campuses. Our diverse campus life enhances learning and community. Our multicultural campus community helps widen networks and fosters connections globally. Join our growing international community and experience a warm welcome with smaller class sizes and a friendly atmosphere.

Global Office

The Global Office at TUS provides comprehensive support for international students, including information, support, and orientation events. They offer continued support before, during and after a student's time at TUS, working in conjunction with the Students' Union, Student Services team, and other campus functions. The office also provides information and guidance on the Erasmus+ programme, as well as assistance to students with international ambitions, such as study abroad, exchange programmes and European placements.

"I didn't believe people when they said that Erasmus is the best thing they have ever done, but they were so right. I honestly think it was the best and happiest 4 months of my life. I have learned so many things about myself, and I see a huge growth in my confidence and as a person in general"

– Clodagh - International Business

International Applicants

TUS welcomes applications from international students. Non-EU applicants must meet entry requirements and demonstrate English language competence. Certified transcripts and English language translations of qualifications not issued in English are required.

Non-EU students should apply directly online at www.tus.ie/global or scan the QR code

Erasmus and Study Abroad

TUS is an Erasmus+ Charter holder, offering Study Abroad and Work Placement opportunities supported by the Erasmus+ Mobility Programme. All students are encouraged to explore these opportunities, which include partnerships with almost 500 universities and research institutions worldwide. By participating, students can gain language skills, broaden their perspectives, expand their network and enhance their employability.

For Erasmus Study Abroad enquiries, **contact:** Erasmus@tus.ie

Regional University Network – European University (RUN EU)

TUS is a member of the Regional University Network – European University (RUN EU) along with eight other European Higher Education Institutes. Students are encouraged to take up funded study abroad opportunities in partner institutions based in Portugal, The Netherlands, Finland, Hungary, Austria, Spain and Belgium. At TUS, students thrive in an inclusive educational environment, benefit from global opportunities and gain valuable skills for success in a diverse and interconnected world.

Applying to TUS

Choosing the right course is the first step towards your future career and at TUS, we have designed our courses in a flexible way that enable you to enter and exit courses at various levels, giving you multiple routes to achieving your goals. There are three entry levels to TUS at undergraduate level.

There are three entry levels at undergraduate level:

- Higher Certificate (Level 6) courses
- Bachelor Degree (Level 7) courses
- Honours Bachelor Degree (Level 8) courses

Students who enter TUS at any level, can either choose to graduate at that level or progress to the next level, assuming required grades are achieved (and progression course available). Exit awards have been built into courses at various levels. A qualification from TUS will open many doors and our courses are developed in partnership with industry, professional bodies and the community to give you the best possible employment and academic outcomes. All courses fit within the National Framework of Qualifications (NFQ) – the official system of qualification recognition in Ireland.

Central Applications Office (CAO)

Application for entry to first year of courses at TUS is through the CAO system. Applicants can apply online at www.cao.ie

KEY CAO DATES TO REMEMBER

Entry dates for CAO applications for September 2026

Closing date: **1 February 2026**

Late closing date: **1 May 2026**

Change of Mind date: **1 July 2026**

Entry Requirements

Leaving Certificate

For students with Leaving Certificate qualifications, the minimum entry requirements for entry to the first year of courses are as follows, however, applicants should also check for the specific requirements given on each course page or on the TUS website www.tus.ie

Higher Certificate (Level 6) courses

The minimum entry standard for applicants to Level 6 courses is minimum grade H7 (Higher Level) or O6 (Ordinary Level) in five subjects. Two of these subjects must include Mathematics* and a Language (either English or Irish).

Bachelor Degree (Level 7) courses

The minimum entry standard for applicants to Level 7 courses is minimum grade H7 (Higher Level) or O6 (Ordinary Level) in five subjects. Two of these subjects must include Mathematics* and a Language (either English or Irish).

Honours Bachelor Degree (Level 8) courses

The minimum entry standard for applicants to Level 8 courses is minimum grade H5 (Higher Level) in two subjects, plus four subjects at minimum H7 (Higher Level) or O6 (Ordinary Level). Two of these subjects must include Mathematics* and a Language (either English or Irish).

#Leaving Certificate Maths at Grade O4 is required for entry to Level 8 courses, and at Grade O5 for entry to Level 7 courses in the Department of Electrical & Electronic Engineering (Limerick only). See courses section for information.

*Foundation Level Mathematics

Foundation Level Mathematics at grade F2 or higher is acceptable as meeting the Mathematics requirement for certain courses at TUS. For a list of courses that accept Foundation Level Maths, **visit www.tus.ie**.

Bonus points for Honours Mathematics

25 bonus points will be awarded to any CAO applicant who has gained a grade H6 or higher in Leaving Certificate Honours Mathematics.

Foundation Level Irish

Foundation Level Irish at Grade F2 will meet the minimum language requirement for all courses.

Leaving Certificate Applied Programme (LCA)

LCA subjects do not meet the minimum entry requirements for admission to academic courses at TUS and are not considered passing subjects. Holders of the LCA qualification may wish to undertake a QQI FET/FETAC Level 5 course in order to gain eligibility for entry to third level courses at TUS.

Leaving Certificate Vocational Programme (LCVP)

Students apply through the CAO in the normal way. The LCVP module will be considered as a passing module provided the applicant achieves at least a pass grade. This will apply for entry to Honours Degree (Level 8), Ordinary Degree (Level 7) and Higher Certificate (Level 6) courses. Points will be awarded for LCVP Link Modules as follows:

Pass: 28 points **Merit:** 46 points **Distinction:** 66 points

Special Mathematics Entrance Exam

Mathematics is the keystone for STEM subjects (Science, Technology, Engineering and Mathematics), and many of the courses offered at TUS require students to have a core mathematical competency. A grade of O6 or higher in the Leaving Certificate examination may form part of basic entry requirements to many courses. Applicants who have achieved the general entry requirements but have not attained the required grade in Leaving Certificate Mathematics will have an opportunity to fulfil that requirement by sitting a Special Mathematics Entrance Exam set by TUS (for admission to courses at TUS Midwest campuses). The Faculty of Engineering at Athlone campus holds a special qualifying Mathematics Exam for students who achieve sufficient CAO points but do not meet the requisite grade of H4 in Mathematics for entry to course US887 Civil Engineering. The exams take place after the publication of the Leaving Certificate results. For more information, see www.tus.ie/admissions

QQI-FET/FETAC

TUS accepts QQI-FET/FETAC awards for entry on all courses of study. The following minimum entry requirements will apply to graduates of QQI-FET/FETAC qualifications who are seeking admission to courses at TUS, however, applicants should also check for the specific QQI requirements given on each course page on the TUS website.

The minimum entry standard for applicants to Level 6 and Level 7 courses is a full QQI FET Level 5 award totalling 120 credits. The minimum entry standard for applicants to Level 8 courses is a full QQI FET Level 5 award totalling 120 credits including a Distinction grade in at least 3 modules.

A full FETAC award normally contains 8 modules. A full award may be accumulated over more than one academic year. In such cases, it is the responsibility of the applicant to contact QQI FET/FETAC for a full award where courses are taken over more than one year. A QQI FET/FETAC Level 5 or Level 6 Record of Achievement does not meet the minimum entry standards. The maximum possible total score will be multiplied by 13 and divided by 12, to give a maximum overall points score of 390 for applicants from further education and training. Applicants to Restricted Application courses or courses where a Portfolio is required will have their Portfolio score added to their QQI FET/FETAC score

Mature Applications

All EU nationals aged 23 or over on 1st January in the year of application are classified as 'mature applicants'. The closing date for receipt of applications for consideration in this category is 1st February in the year of entry. Late applications will be considered for courses which do not require additional assessment. On an exceptional basis e.g. the quota remains unfilled, late applications may be considered for other courses.

Disability Access Route to Education (DARE)

DARE is a third level alternative admissions scheme for school leavers whose disabilities have had a negative impact on their second level education. DARE offers reduced points places to school leavers who, as a result of having a disability, have experienced additional educational challenges in second level education.

TUS welcomes and encourages applications from people with disabilities/specific learning difficulties. Our aim is to ensure that all applicants are offered an opportunity to enter third-level education and to complete their studies successfully. Applicants should apply via the Central Applications Office (CAO) and indicate on the application that they have a disability/specific learning difficulty which is the basis for seeking reasonable accommodations or support in either the application process or their college course. More information on DARE is available from your school Guidance Counsellor or TUS Disability Support Service Co-ordinators:

Athlone Campus:

Lisa Hanlon
Email: dare.midlands@tus.ie

Limerick, Thurles, Clonmel & Ennis Campuses:

Broze O'Donovan
Email: dare.midwest@tus.ie

Information can also be found on
www.accesscollege.ie and www.cao.ie

Higher Education Access Route (HEAR)

HEAR is a college and university admissions scheme for school leavers from socio-economically disadvantaged backgrounds who have completed the Irish Leaving Certificate. Eligible students compete for a quota of reduced points places in the colleges involved with HEAR. Students who gain a college or university place through HEAR also get a range of personal, academic and social supports while they are studying at third level. More information on HEAR is available from:

Athlone Campus:

Jenny Burke, Access Officer
Email: hear.midlands@tus.ie

Limerick, Thurles, Clonmel & Ennis Campuses:

Dr. Carolann Bargary, Access Officer
Email: hear.midwest@tus.ie

CAO Points are Round 1 Points 2025

Learn more about studying at TUS

Our doors are always open, and we host many events throughout the year at our campuses in Athlone, Limerick City, Thurles, Clonmel and Ennis where you'll get an opportunity to explore our campuses and view our superb facilities at first hand.

From Open Days and Taster events to Engineering and Computing workshops, our schools' programmes are tailor-made for prospective students and will provide you with valuable opportunities to undertake meaningful course research, helping to make informed CAO decisions.

Here to help

We are here to help and our Student Recruitment and Engagement team welcome questions from students, parents, guardians and teachers about our courses, entry requirements, support services and student life in general at TUS. The more information you have, the better decision you can make!
